OUR CAMPAIGNS

Mobility for all

The government plans to cut the number of people on Disability Living Allowance (DLA) by 20%. From 2013 Personal Independence Payment (PIP) started to replace DLA for those aged between 16 and 64. We are working to ensure this new benefit does not reduce people's mobility.

Baywatch Campaign

We want to stop abuse of disabled parking bays. We have put pressure on supermarkets to start fining people who abuse their disabled parking spaces.

Access to Towns & Cities

Fed up with pedestrianisation, road pricing and congestion charges? Inaccessible public transport leaves us with no choice but to use our cars. Help us fight discrimination and campaign for proper disabled parking provision and exemption charges.

Improvements to the Blue Badge Scheme

We constantly seek to ensure the Blue Badge scheme is fair and abuse is stamped out.

Refuelling at Petrol Stations

Automated petrol stations can prevent disabled drivers from refuelling. We are working with Sainsbury's and Contacta to introduce Pinpoint, a system that allows disabled people to refuel their vehicle independently.

Parking

From the lack of parking at healthcare facilities to parking equipment that is difficult or impossible for disabled drivers to use - we put your point of view to Councils and Companies. We are working with the British Parking Association and Department for Transport to resolve issues that affect our members.
